

1 BOARD OF SUPERVISORS, COUNTY OF LAKE, STATE OF CALIFORNIA

2 ORDINANCE NO. _____

3 AN ORDINANCE ADDING ARTICLE VIII TO CHAPTER 13 OF THE LAKE COUNTY
4 CODE REGARDING HAZARDOUS VEGETATION AND/OR COMBUSTIBLE
MATERIAL

5 WHEREAS, the County of Lake, pursuant to its police power granted by Article XI,
6 section 7 of the California Constitution, may adopt regulations to protect the health, safety,
7 and welfare of the public; and

8 WHEREAS, the County of Lake has experienced a prolonged and debilitating series
9 of devastating disasters caused by wild fires and the Board of Supervisors wishes to
10 implement preventative action plans, which if taken now, can greatly reduce both the
11 occurrence, extent and severity of wildfires in the future; and

12 WHEREAS, hazardous vegetation and/or combustible material pose a significant
13 danger to the health, safety, and welfare of the public by fueling and propelling wildfires,
14 thereby increasing the danger to lives, property, and the environment; and

15 WHEREAS, the Board of Supervisors supports the improved parcel defensible space
16 obligations of Public Resources Code section 4291, but section 4291 does not address
17 hazardous vegetation abatement and/or combustible material on unimproved parcels and the
18 possible resulting impacts to adjacent improved parcels; and

19 WHEREAS, the Board may supplement state law by local ordinance to extend the
20 benefits of Public Resources Code section 4291 to ensure that defensible space protections
21 are accomplished on those portions of unimproved parcels adjacent to improved parcels and
22 along roadways; and

23 WHEREAS, Health and Safety Code section 14930 and 14931 authorize the Board
24 of Supervisors to proscribe, by ordinance, a procedure for the removal of weeds and other
25 rank growths from property in the County and to make the expense a lien upon the real
26 property in accordance with section 25845 of the Government Code; and

27 WHEREAS, it is the purpose of this Article to establish a comprehensive program
28 for hazardous vegetation/combustible material nuisance abatement to address the increased
danger to the public caused by hazardous vegetation on property within the unincorporated

1 area of the County of Lake and to enhance the defensible space on unimproved parcels that
2 are adjacent to improved parcels.

3 NOW THEREFORE, the Board of Supervisors of the County of Lake hereby ordains
4 as follows:

5 **Section One:** The recitals hereinabove are true and correct and incorporated herein by
6 reference.

7 **Section Two:** Lake County Code Article VIII is hereby added to Chapter 13 of the Lake
8 County

9 Code to read as follows:

10 **“Section 13-57. Title.**

11 This article shall be known as, and may be cited or referred to as: "The Hazardous
12 Vegetation/Combustible Material Abatement Ordinance."

13 **Section 13-58. Findings and Purpose.**

14 58.1 The Board of Supervisors finds that hazardous vegetation or combustible material
15 poses a danger to the health, safety and welfare of the public and exacerbates the risk
16 of wild fires. Hazardous vegetation and/or combustible material requires a
17 comprehensive abatement program in the County of Lake. Further, the
18 establishment of defensible space benefits property owners, public safety personnel
19 and all residents of Lake County by significantly increasing the likelihood that
20 structures will survive a wildfire and it will provide for firefighter safety during a
21 firestorm and assist in the protection of lives.

22 58.2 All hazardous vegetation and/or combustible materials within the unincorporated
23 area of the County of Lake is deemed a public nuisance.

24 58.3 This Ordinance shall apply to all real property located in the unincorporated areas of
25 Lake County. The removal of hazardous vegetation in the areas subject to this
26 ordinance is recognized as an essential action a homeowner or property owner can
27 take to increase the chances that Lake County residents, wildlife, homes, and other
28 structures will survive a wildfire.

58.4 It is the purposes of this Ordinance to supplement the regulations established in

1 Public Resources Code section 4291 and to establish a comprehensive abatement
2 program specifically for hazardous vegetation and/or combustible materials within
3 the unincorporated area of the County under the direction of the Lake County Fire
4 Official, as assisted by Lake County Code Enforcement.

8 herein, it shall be the duty of every owner, occupant, and person in control of any

10 unincorporated territory of the County of Lake to abate there from, and from all
11 parcels, roadways and parkways, except for those roads maintained by the county, all

6 property or adjoining structure(s) is located.

1 local weather conditions, fuel type(s), topography, and the environment where the
2 property or adjoining structure(s) is located.

5 health, safety or welfare or the environment. Where the terrain, condition or
6 environment on the Unimproved Parcel is such that hazardous vegetation cannot or
7 should not be disked or mowed, the County Fire Official may require, or authorize
8 other means of Hazardous Vegetation removal.

9 3.5 Where the terrain, condition or environment on the Unimproved Parcel is such
10 that it cannot or should not be disked or mowed, the County Fire Official may

3 County Fire Official, pursuant to Health and Safety Code section 14930 and
4 Government Code section 25845, to summarily abate any public nuisance determined
5 by the County Fire Official to constitute an immediate threat to public health or
6 safety without prior notice or hearing.

7 **Sec. 13-62. Abatement Proceedings.**

8 **62.1 Notice of Violation and Order to Abate.** If the County Fire Official determines that
9 any real property is being maintained or permitted to exist in a manner prohibited by

12 the hazardous vegetation or combustible material to be immediately abated.

14 required to be taken and order the property owners and persons in possession to abate

17 subject the owner or persons in possession to civil, administrative and criminal
18 penalties. The notice/order shall provide the property owner and person in possession
19 of the opportunity to appeal that notice/order and appear before the Lake County
20 Board of Supervisors and be heard prior to the abatement by the County.

22 County Fire Official if that official determines additional time is justified due to the
23 topography and/or size of a particular parcel.

24 1.4 The failure of the notice to set forth all required contents shall not affect the
25 validity of the abatement proceedings.

26 **62.2 Manner of Giving Notice.**

27 2.1 The County Fire Official shall cause a copy of the notice/order to be mailed or
28 otherwise delivered to all known persons to be in possession and to the property

20 postmark of the notice/order.

22 with the Board of Supervisors and shall proceed according to the process described
23 in Lake County Code section 13-7.

25 of a timely request for hearing and shall provide written notice of the hearing date
26 and time to the appellant at least ten (10) days prior to the date of the hearing, unless
27 such time limits are waived in writing by both the County Fire Official and the
28 appellant.

4.2 At the time fixed in the notice of hearing, the Board of Supervisors shall receive

1 evidence from the County Fire Official and the owner or person in possession of the

3 who may desire to present oral or documentary evidence regarding the conditions of
4 the real property or other relevant matter, if such persons are present at the hearing.

6 the proceedings or order issued thereon.

8 decision and in the event it so concludes, may declare the conditions on the real
9 property to be in violation of this Article and to constitute a public nuisance. The

16 abatement costs and any administrative penalties assessed shall be a lien and an
17 assessment against the real property.

21 **Official.**

22 If, at the end of the time allowed for compliance in the original notice/order issued
23 pursuant to this Article if no request for hearing is made, or as set forth in an order

11 administration costs, plus attorneys' fees, if relevant, within fifteen (15) calendar days
12 of its mailing. If said amount is not paid upon demand by the County, the abatement
13 costs, including attorneys fees, if applicable, shall be specially assessed against the
14 real property pursuant to Government Code Section 22845, or by any other means
15 provided by law. The assessment may be collected at the same time and in the same

24 the parcel address, the record owner, the possessor of the property, if known and
25 applicable, together with the last known address of the record owner or possessor.
26 The abatement lien shall have the same effect as recordation of an abstract of a

12 Administrative Citation and shall be deposited in an account designated for the

10 accordance with the provisions of Section 13-6.2 of this Chapter. The failure of any
11 Responsible Party or other person with a legal or equitable interest in the property to
12 receive any notice served in accordance with this section shall not affect the validity
13 of any proceedings taken under this code.

14 **64.6 Appeal of Administrative Citation.**

15 Any recipient of an Administrative Citation may contest the citation by requesting an
16 appeal hearing within fifteen (15) calendar days from the date of the citation. The
17 Appeal must be in writing on a form furnished by the County specifying the basis for
18 the appeal in detail. If the deadline to request an appeal hearing falls on a weekend or
