Re: Request for Donations -- Scholarship Committee Silent Auction December 2

The Lake County Realtors Scholarship and Community Fund has an annual scholarship program for Lake County senior high school students who are going on to college.

We raise \$15,000-\$25,000/year from our community through several fund-raisers. We provide scholarship application forms to all of the high school guidance counselors, and solicit for high school seniors to apply during the spring of their senior year.

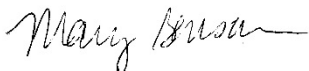

Our committee interviews each applicant, and awards scholarships of \$500 to \$1,000 to students throughout the county. Financial need is not a requirement, but a record of community service is essential. Last year, we awarded more than \$24,000 in scholarships to graduating seniors, and this year we aim to top that figure.

Please help us to reach our goals this year by contributing to our next fund-raiser: an annual **silent auction event on December 2** at a dinner that attracts approximately 150 people. We generally and raise approximately \$5,000 toward our goals with this one event. Your support is essential to our success, and we would be very grateful for your donation of either a check for us to buy a themed gift basket (\$50 – 100), or items in excellent condition that could be used in our silent auction.

We would greatly appreciate your tax-deductible donation to our event. Please call our president, Heidi Johnson, at 707-349-2258 and we will gladly arrange pick-up of your items.

Thank you.

Sincerely,

Secretary
Lake County Realtors Scholarship and Community Fund
