VIEWING HOMES

1. **How many homes can I expect to view?**

It depends on how closely located the homes are that you expect to view. Lake County is rather large and it can take 45 minutes to one hour to go from one end of the county to the other. Driving from Hidden Valley Lake to Lakeport takes about 45 minutes. Going from Hidden Valley Lake to Kelseyville is around 30 minutes. City of Clearlake to Lakeport is 35 to 40 minutes. Clearlake to Clearlake Oaks is about 15 minutes and Clearlake Oaks to Lucerne is about 15 minutes. Plan accordingly.

2. **Hidden Valley Lake is a closed gate community. How do I gain access to view homes in that community?**

Realtors will be at **Hidden Valley Lake Realty - 17568 Spruce Grove Road, Suite A**, located just off of Highway 29, to escort you into Hidden Valley Lake. You will need to remain with the Realtor and return with them after viewing the home(s.)

3. How do I get directions from one house to the next?

We recommend you use your smart phone apps. Addresses of the properties are listed on www.lakecountyopenhouses.com. You can also ask the Realtors at the home you are viewing to assist you. Get a *Destinations* magazine (see **THINGS TO DO** below), which contains a number of maps.

4. What is proper etiquette when viewing homes?

Be respectful. If you have questions about the home ask the Realtor who is at the home or ask your Realtor if they are attending with you. Look, but don't rummage. Make sure there is enough storage space in the home, but don't go through someone else's private belongings.

Before taking photos/videos, check with the Realtor at the house. In some cases, the owners may have requested that no photos should be taken. If you do receive permission, photos and videos should focus on the property itself.

Pick up a property description sheet. Most Realtors will have them available at the property. You can make notes on it as you view the home.

Working with a Realtor. The Realtor at the home should ask you if you are working with a Realtor already. If you are let them know. If you are not, let them know, but there is no obligation to work with the Realtor. We recommend that before choosing a Realtor you should interview a few agents to determine who you might work best with.

5. Why am I being asked to sign a signup sheet?

Realtors will want to follow up with you. The Lake County Association of Realtors would like to email you a questionnaire to get feedback on the event with the intent of measuring the success of it and how it can be improved upon.
